## Finavia season card prices from 1.7.2010

The change in Finnish VAT rate from 22 % to 23 % which is carried out 1.7.2010 causes a similar change in season card prices (valid only for aircraft with a max 2000 kg MTOW). Other terms and conditions of the season card remain unchanged and can be found in our document Finavia Terms of service 2010 on our Internet pages:
