# VIP President

VIP President works well for big groups and state visits up to 100 persons. Boards of directors and management teams organise meetings and welcome foreign guests in VIP President, which has an own terminal.

The service offers personal care of you or your guests' check-in and security. We will also assist you at the border control, customs control and help you shop and exchange currency.

Meanwhile you can have a cup of coffee or enjoy refreshments and a light snack. We can also set the table according to your preferred theme or season with an advance order. All this takes place at the private, elegant VIP President terminal.

# Services

VIP President is an excellent meeting location for journeys by the boards and management teams of companies. The facilities are Finnish design at their best and thus wonderful for foreign visitors, too. When necessary, professional VIP hostesses with great language skills receive guests for you when you are unable to do so.

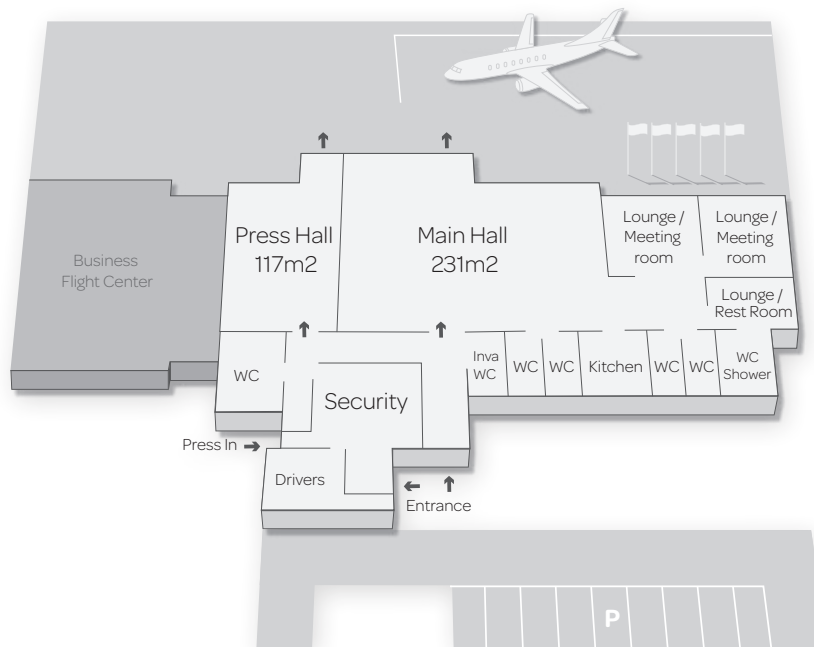

At VIP President, customers always have access to their own beautiful lounge. You can also work in peace in a private room for confidential matters, too.

- Two separate lounges available for booking
- Both lounges have the capacity for 5–15 people
- In addition to the festive lobby, customers have access to one meeting room and one room for resting.
- Also suitable for large groups up to 100 persons
- A designated hall for the press
- Private planes can be parked in front of VIP President
- Flag and red carpet on request
